

AMERY DOG PARK

Features

- Open year-round
- No fees
- Separate fenced areas for large & small dogs
- Tables & benches

Amenities

The Amery Dog Park is conveniently located in town, on the northeast corner of Minneapolis Avenue and Griffin Street East. There are separate fenced areas for large and small dogs, with tables and benches. The park is open year-round from dawn until dusk, providing ample opportunities for socialization and exercise.

Benefits

Research shows that when dogs get adequate exercise and socialization, it results in better dog behavior. Amery and the surrounding towns are home to an estimate 3,000 dogs, many of whom do not have large yards or safe, fenced areas in which to play. The Amery Dog Park provides the opportunity for dog owners to practice responsible pet ownership, promotes socialization, and encourages exercise for both people and their pets.
