## DEMOLITION PERMIT APPLICATION

1. Structures under 1,000 sq. ft. \$800
2. Structures 1,001 - 3,000 sq. ft. \$1,700
3. Structures 3,001 - 5,000 sq. ft. \$2,200
4. Structures 5,000 - 10,000 sq. ft. \$3,700
5. Structures 10,000 sq. ft. and over \$7,200

**Demolition permits will be reduced by 50% if the building will be rebuilt within one year of demolition and the property owner has provided sufficient information that construction will be done on the site: by either having a site plan on file, applied for a building permit or has a set of plans for future construction to be done on the site. Each case will be determined on a case by case basis. Condemnation by the City of Amery or by other Court action, does not allow for a reduced rate even if the structure is going to be replaced by the property owner.**
